

Prof. Yaojing Wang

Nanjing University of Science and Technology

Dear Prof. Wang,

On behalf of the Organizing Committee, and given your outstanding contribution to the field, it is my honor to invite you to present a Keynote Lecture at the 2018 Workshop on Atomic Force Microscopy for Advanced Functional Materials (AFM² 2018), to be held at the Conference Center in Nanjing University of Aeronautics and Astronautics, Nanjing, China, from December 14-16, 2018. More information about the workshop can be found at:

<http://afm2018.conf.scholarset.com/>

We hope that you will be able to accept this invitation, and share with us your insight at the workshop. You can register for the workshop on the website, and submit the title and abstract of your lecture there. Or you can send us the information at afm@scholarset.com, cc jjli@uw.edu, and we can help you set up the registration and abstract. A template for the abstract is also attached for your use.

If there is anything that we can assist you, please let us know. We look forward to your lecture.

Best Regards,

A handwritten signature in black ink, appearing to be 'JL' or similar initials.

Jiangyu Li

Professor

University of Washington
